New Butcher Shop Cashes Checks, Intends To Add Booze Sales

Another Liquor Outlet Wants To Squeeze Into Our Neighborhood

Another liquor license is pending in our neighborhood. It is imperative that if you have an opinion on this issue that action be taken now! All letters of protest should be received in the City Clerk's office by **September 14th, 2003**.

The applying business, Super Carniceria Hermosillo, is located in the old Circle K at the southeast corner of Missouri & 7th Avenue (5435 N. 7th Ave). The Carniceria was given our association information to contact us prior to or during the application process and have chosen not to do so.

Depending on your input, Jessica Florez' office indicated that our councilwoman is inclined not to support the application. The Phoenix Police department is not supporting the application. It's nice to have City support, but necessary for them to know how we feel so they

will act to support us and our neighborhood.

Please make haste to let the Mayor and City council know your opinion.

Dear Mrs. Hicks,

I would like to protest the granting of a series 10 liquor license to Super Carniceria Hermosillo at 5435 N. 7th Avenue, license # 10074618. I live within one mile of the store. I am concerned that having liquor to go will encourage transients to congregate, increase litter and graffiti, and generally have a blighting influence on my neighborhood. An abundance of liquor licenses already exist within the area so there is no need to saturate the neighborhood any further.

Sincerely,
