## OFFICIAL DEDICATION: Speeches; Food

# Historic District Ribbon Cutting

The official dedication for the Medlock Place Historic District will be celebrated **Monday, July 28 at 6:30 p.m.** At the corner of Oregon & 3rd Avenue, we'll see cake, cookies, and refreshments - plus Historic Preservation Officers, Phil Gordon, Jessica Florez, and others celebrating.

*Y'all come, now!*

## The Opening of MEDLOCK PLACE

*The Subdivision Extraordinary*

... tired of being overlooked about town day to day in the city, if you want rest and quiet among the most surroundings, you should come out and see this beautiful addition. We take pleasure in everyone to visit our new tract. Medlock Place, located on North Central Avenue one-eight mile of Camelback Road, has a wonderful view of Camelback and the other mountains surrounding it. Here you will find life worthy living... here you can enjoy a garden and lots of flowers, have the lawn, but a yard. Here there is room for growing youngsters; that's where you can find happiness.

### ARE NO LOTS ON SALE

... every subdivision. The lots are not being offered here to sell. Some will build a home to live in. This is a home section. The lots are not being offered here to sell. Some will build a home to live in. This is a home section. The lots are not being offered here to sell. Some will build a home to live in. This is a home section.

... of the security facilities in the building. You can with every foot and study our world, sturdy manner of construction. You will be able to see for yourself, the unusually good results and workmanship that is being put into these houses. One lot, the Model Electrical Home, is now finished. The tract is entirely electrical, providing the latest and cheapest method of cooking, lighting and heating at especially low rates.

The home is completely furnished and equipped—it's ready to move into. Open for inspection all day today, this week and all this week.

**Tuesday, Wednesday, Thursday and Friday Afternoons**  
**MISS B. EDNA GALVIN**

Who conducts the Standard Business School in the Department of Light and Gas Building will be at the Model Home to lecture on cooking, interior plumbing and gas rates.
